

Welcome to the sixth edition of the BDA newsletter. This is an extra edition as I wanted to take the opportunity to thank everyone who has worked alongside myself and the team over the past twelve months and to wish you all a very Merry Christmas and a prosperous New Year!

The team are all looking forward to the challenges ahead and with London 2012 on the horizon we want to make sure that we use this event to raise the profile of bowls and to bring more new members into your local clubs. Details of how we intend to do this will follow in the New Year.

As you can see below the team are getting into the Xmas spirit!

Facilities Questionnaire

All clubs should have received a questionnaire to complete which asks questions about your club facilities. This data will be recorded and used to write a Facilities Strategy for Bowls. The document will then be used as evidence of need for the sport and to assist in securing future funding. If your club did not receive a copy please contact Chris Parkin 01664 484926 and he will pop one in the post!

Merry Christmas from the Bowls Development Alliance Team
